

## Welcome to Top Dog Earthmoving

It's not every day you find an Earthmover that values quality and reliability as much as you do.

But, whether you're a homeowner, Builder or Tradesperson – you can be certain that your high standards are our priority every time.

No exceptions.

And with more than 10 years' experience, we've perfected a formula that works:

Top quality machinery + reliable service + pride in our work = superb results delivered on time

Our range of earthmoving services makes us a one-stop-shop for any sized job – so you'll save time, money, and hassle.

- Earthworks
- Boulder Walls
- Concrete Removal/Replacement
- Materials Supply
- Fully Insured + Safety Documentation

Plus, our customer service ethos means we'll clearly explain options and ideas for tackling your unique job.

Why wait? [Call us now](#) for a free quote or consultation.

Proudly servicing the local Samford community, plus all greater Brisbane, Ipswich, Gold Coast and Sunshine Coast areas.

## About Us

### PROVEN EXPERIENCE YOU CAN TRUST

Top Dog Earthmoving is a respected, family owned and run business with a strong team of committed operators and over 10 years' experience delivering high quality results.

Which isn't surprising, given owner Steve's long-time interest in machines, his work ethic, and passion for delivering exceptional customer service. That said, we wouldn't be where we are today without the support and expertise of our hard-working team.

Our goal for each job is, "to make sure that when we leave the job, it's completed to the same standard we'd expect if it was for ourselves". This uncompromising commitment to quality goes back to the beginning...

Steve's construction career started with bricklaying for his Dad on weekends and school holidays in the late '90's. He then completed his carpentry apprenticeship which led to work in the residential and commercial sectors.

After 10 years in the construction industry, he followed his interest in machines and bought his first 10m tipper, then a bobcat, followed by an excavator back in 2010.

Since then, Steve's industry experience combined with exceptional machine-operating ability and focus on high performance has seen Top Dog Earthmoving grow to achieve a rock-solid reputation for high quality and reliability.
